Performance data from Fidelity Investments.

The performance data featured represents past performance, which is no guarantee of future results. Investment return and principal value of an investment will fluctuate; therefore, you may have a gain or loss when you sell your shares. Current performance may be higher or lower than the performance data quoted. Please visit [Fidelity.com/performance](https://www.fidelity.com/performance) or call Fidelity for most recent month-end performance figures.

Total returns are historical and include change in share value and reinvestment of dividends and capital gains, if any. Cumulative total returns are reported as of the period indicated.
